

AFEE MUHAMMOD WAFY

Science Student · Tech Enthusiast

Rangpur, Bangladesh

+8801794717675

afeemuhammodwafy@gmail.com

PROFESSIONAL SUMMARY

Motivated and academically driven student with a strong foundation in Science (HSC & SSC), aspiring to pursue a Bachelor's degree in Computer Science or Software Engineering. Passionate about technology and problem-solving, with a growing interest in cybersecurity and full-stack web development. Looking forward to internships that offer hands-on experience in building secure, user-centric applications and scalable software systems.

TECHNICAL SKILLS

`</>` Languages: HTML5, CSS3, JavaScript, Python

Tools: VS Code, Git, GitHub

PROJECTS

WafyDev – Developer & Utility Toolbox

A comprehensive suite of fast and secure web utilities, featuring a modern glassmorphic interface. Built with vanilla JavaScript, it includes tools like a password generator, text case converter, QR code generator, and a color palette terminal — all designed with a focus on performance and user experience.
